introducing english for academic purposes is an accessible and engaging textbook which presents a wide ranging introduction to the field covering the global and institutional position of eap as well as its manifestations in classrooms and research contexts around the world each chapter provides a critical overview introducing readers to theory and research informed perspectives profiles of practice to guide readers in putting theory to use in real world contexts tasks reflection exercises and a glossary to help readers consolidate their understanding an annotated further reading section with links to online resources to enable readers to extend their knowledge covering both theoretical and practical issues introducing english for academic purposes is essential reading for studentsof applied linguistics and pre service and in service teachers of eap

a course in written english for academic purposes

this volume of specially commissioned articles examines theory and practice in eap

the papers comprising this volume are selected from presentations made at the 2001 conference of the british association of lecturers in english for academic purposes which was held at the university of strathclyde in glasgow scotland the role of eap english for academic purposes is increasingly important as higher education institutions consider their linguistic support strategies both for native and non native speakers of english and confront the potential of the world wide web as a scholarly and pedagogic resource the articles collected consider eap as an international profession from a number of vital and relevant perspectives including practical pedagogy research and the impact of new technology

put theory into practice with with exercises which test your knowledge and challenge your understanding

as the delivery of english for academic purposes eap continues to expand internationally so too must the literature available to support teaching this volume showcases some of the research informed work in this exciting and complex field providing insights into eap pedagogies employed in a diverse range of contexts drawing on the work of practitioners and practitioner researchers it responds to the repeated calls for a firmer link between theory research and practice in language teaching and provides a much needed focus on pedagogy from contexts where english is the principal dominant societal language or one of several official languages to those where english medium instruction emi is common in higher education as an additional language for students and faculty the chapters explore a range of geographical contexts including brazil canada china norway south africa turkey the uae the uk and the usa diversity is also represented in the range of types of eap provision featured in this volume contributions focus on eap for undergraduate and postgraduate students from lower to advanced proficiency levels before and during degree study and in english for both general and specific academic purposes teaching with discussion of consequences for on going teacher education pedagogic responses and innovations to these varied contexts and needs are illustrated in the range of contributions which provide insights into current practices in eap globally

this book focuses on the nexus of language disciplinary content and knowledge communication against the background of the economic cultural and ideological forces of higher education s current push for internationalisation it suggests the need for a greater synergy between language and content experts and argues that change needs to be implemented through policy rather than on an ad hoc basis by individual teachers it is a call to action for english for academic purposes practitioners to find a way out of the silo of their own centres and work to assert influence over the wider context in which they work the book begins and ends in the practice of teaching with a focus throughout on understanding the barriers and enablers to that practice within a particular context

this book highlights the centrality of political and ideological issues as they relate to the positioning and practice of english for academic purposes eap demonstrating that eap cannot flourish as a profession or a discipline without an awareness of the macro and meso level political shifts that impact the wider university the volume states that the practices of eap are in fact political acts and examines these as yet unexplored power dynamics the volume begins by considering key influences that have shaped universities and their governance and management over the last three decades and how these relate to the role and practice of eap these influences include neoliberal economic policies governmental demands for widening participation globalization entrepreneurial approaches to

higher education students as clients and therapeutism in universities following consideration of these broader contextual issues specific chapters focus on politics and policies surrounding the recruitment and participation of international fee paying students their positioning and identity within english medium universities including issues relating to english language standards and academic integrity further chapters then consider more local influences that shape eap programmes such as their strategic roles within universities their management their teaching and wider academic impact

the covid 19 outbreak has changed the educational landscape as higher education institutions around the world were forced to close their physical campuses to slow or contain the spread of the virus the rapid unexpected and forced transition to emergency remote teaching has been especially challenging for second and foreign language learners who rely on english for academic purposes eap courses to help them transition from secondary school to higher education and succeed in their academic studies to ensure these learners are receiving the best education possible additional study on the difficulties opportunities and strategies of teaching english for academic purposes courses is required cases on teaching english for academic purposes eap during covid 19 insights from around the world explores the effect of emergency remote teaching in offering quality eap education to second and foreign language students and preparing them for their university studies in response to covid 19 from a variety of contexts around the world this book also contributes to developing effective practices for supporting and sustaining eap teaching in an english medium instruction environment during and after a pandemic covering topics such as remote teaching writing instruction and breakout rooms this reference work is ideal for teachers administrators policymakers scholars practitioners academicians researchers instructors and students

selected papers presented at the conference held by baleap british association of lecturers in english for academic purposes at the university of southampton in the spring of 2003

the 4 point series is designed for english language learners whose primary goal is to succeed in an academic setting academic english learners need skills based books that focus on reading listening and speaking as well as the two primary language bases of vocabulary and grammar the ultimate goal is to help your students improve these skills and earn a 4 0 gpa the introduction to english for academic purposes eap level is designed for students in academic programs who need a more general introduction to authentic academic content the discrete skills volumes are designed for programs and courses that want to more intensively focus on key strategies and authentic academic content in one skill area each 4 point volume covers academic skills while providing reinforcement

and systematic recycling of key vocabulary issues and further exposure to grammar issues these volumes focus very heavily on vocabulary because language learners know that they are way behind their native speaker counterparts when it comes to vocabulary each book highlights key vocabulary items including individual words compound words phrasal verbs short phrases idioms metaphors collocations and longer set lexical phrases speaking for academic purposes is an introductory textbook containing english for academic purposes content each unit includes activities to strengthen a range of speaking skills notably understanding classroom discourse using academic language functions recognizing signal words and phrases and synthesizing information these activities are presented within the context of one field of academic study architecture marketing earth science u s history chemistry and fine arts per unit unique to this speaking text are six videos showing common student interactions access to the videos is free each unit includes three academic speaking strategies including one specific to making presentations and tasks that involve participating in group discussions interacting with native speakers and making a presentation the goal is to provide students with a variety of strategies tools to master academic situations in which they need to participate
